BUILDING INFORMATION

The United Pentecostal Church is located in Goodlettsville, TN, outside of the Nashville area. Signing a Phase I contract with Zion Church Builders in 2004, the church has worked with us through all three construction phases in our building program. This 29,682 square foot new building will consist of multipurpose room (for worship and fellowship), children's worship area, youth worship area, offices, restrooms, nursery area,

bookstore, coffee shop, and large foyer. Construction for this project is currently under construction. The project team consists of:

Ed Douglas: Project Superintendent
David Simpson: Project Manager
Jim Hinze: General Superintendent
