BUILDING INFORMATION

South English Street Church of Christ can be found in Greensboro, NC. Signing a Phase I contract with Zion Church Builders in 2004, the church began construction in November 2008. This project consists of building a single-story, 24,596 square foot new facility. The new building will include classrooms, offices, restrooms,

sanctuary, kitchen, and kids/youth areas. Construction completed in 2010. The church is now known as Sharpe Road Church of Christ. The project team for South English Street Church of Christ were as follows:

Ken Holcomb: Project Superintendent
John Gardner, Jr.: Project Manager
Jim Hinze: General Superintendent
